### FINISHING NOTE

Alabaster is a natural material with distinctly unique formations, markings and colouration. It is part of its charm that no two lamps are exactly the same.

### CLEANING INSTRUCTIONS

The finishes on this luminaire only require regular cleaning with a soft dry duster. Abrasive or chemical cleaners may harm the finish and should not be used.

### FIXING NOTE

It is the buyer's responsibility to ensure that suitable fixings are used.

\*Please refer to our Terms & Conditions for further information.

Dimensions in mm and approximate.
