### FINISHING NOTE

Marble is a natural material with distinctly unique formations, markings and colouration. It is part of its charm that no two lamps are exactly the same. All metalwork is handcrafted and may vary from piece to piece with slight variations in finish and detailing.

### CLEANING INSTRUCTIONS

The finishes on this luminaire only require regular cleaning with a soft dry duster. Abrasive or chemical cleaners may harm the finish and should not be used.

### FIXING NOTE

It is the buyer's responsibility to ensure that suitable fixings are used.
