FINISHING NOTE

The ceramic glazes that we have used on this lamp will create differences from piece to piece - variations in colour, formation and detailing. As such, it is part of the charm that no two products are exactly the same.

CLEANING INSTRUCTIONS

The finishes on this luminaire only require regular cleaning with a soft dry duster. Abrasive or chemical cleaners may harm the finish and should not be used.

FIXING NOTE

It is the buyer's responsibility to ensure that suitable fixings are used.
