The ceramic glazes that we have used on this lamp will create differences from piece to piece - variations in colour, formation and detailing. As such, it is part of the charm that no two products are exactly the same.

### CLEANING INSTRUCTIONS

The finishes on this luminaire only require regular cleaning with a soft dry duster. Abrasive or chemical cleaners may harm the finish and should not be used.

### FIXING NOTE

It is the buyer's responsibility to ensure that suitable fixings are used.
