

Heathfield&Co

Installation Guide

CEILING LIGHT | KOA SINGLE

General Notes

- Before carrying out installation, please ensure that you have read and understood this document carefully.
- This fitting is suitable for dry, indoor use only.
- Switch off electricity and ensure the correct wiring procedure & regulations have been checked with a qualified electrician.
- Ensure the fitting is being fixed to a suitable surface, strong enough to support the weight of the product.
- Ensure that suitable fixings are used - additional fixing screws are not included.
- The ceiling mount and fixing screws are supplied already attached to the fitting.
- Save these instructions for future reference.
- If you have any additional questions, please contact our sales team.

Caution

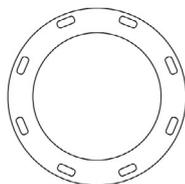

Installation of this fitting must be carried out by a qualified electrician.

Warning

Electricity must be switched off at the mains fuse box before installing this fitting.

Installation Guide

CEILING LIGHT | KOA SINGLE

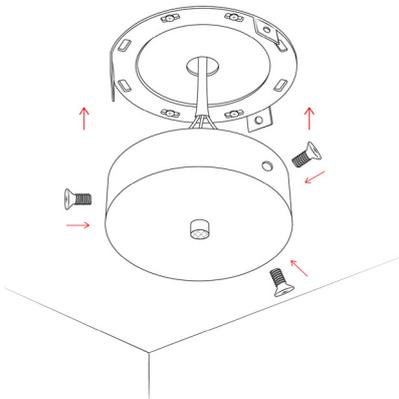

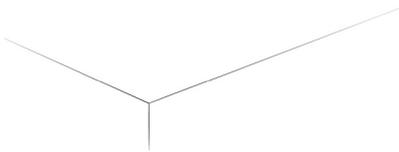

STEP 1

- Switch off the electricity at the mains fuse box. Turning off the power at the switch is not sufficient.
- Remove the 3x fixing screws to separate the ceiling mount from the ceiling rose.

STEP 2

- Fix the ceiling mount to the ceiling using appropriate fixings.
- Make electrical connections, following the below wiring diagram. Please note you will need to hold the weight of the pendant while connecting the wires.

STEP 3

- Offer the ceiling light up to the ceiling mount & screw the fixing screws into the ceiling rose.
- Push in the G9 bulb.
- Carefully screw on the glass shade.
- Switch the power back on.

Installation Guide

CEILING LIGHT | KOA 3 LIGHT

STEP 1

- Switch off the electricity at the mains fuse box. Turning off the power at the switch is not sufficient.
- Loosen the screws then twist & lift off the front ceiling rose. Please note you should not remove the screws fully.

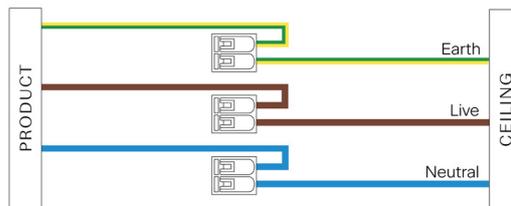

STEP 2

- Fix the ceiling mount using appropriate fixings.

STEP 3

- Offer the ceiling light up to the ceiling mount & make electrical connections, following the below wiring diagram. Please note you will need to hold the weight of the pendant while connecting the wires.
- Twist & lock the ceiling rose onto to ceiling mount & tighten screws.
