Installation Guide

WALL LIGHT | DAISY

General Notes

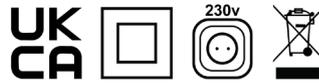

- Before carrying out installation, please ensure that you have read and understood this document carefully.
- This fitting is suitable for dry, indoor use only.
- Switch off electricity and ensure the correct wiring procedure & regulations have been checked with a qualified electrician.
- Ensure the fitting is being fixed to a suitable surface, strong enough to support the weight of the product.
- Ensure that suitable fixings are used - additional fixing screws are not included.
- The liner plate and fixing screws are supplied already attached to the fitting.
- Save these instructions for future reference.
- If you have any additional questions, please contact our sales team.

Caution

Installation of this fitting must be carried out by a qualified electrician.

Warning

Electricity must be switched off at the mains fuse box before installing this fitting.

Installation Guide

WALL LIGHT | DAISY

STEP 1

- Switch off the electricity at the mains fuse box. Turning off the power at the switch is not sufficient.
- Remove the 3x fixing screws to separate the liner plate from the back box.

STEP 2

- Fix the liner plate to the wall using appropriate fixings.
- Make electrical connections, following the below wiring diagram.

STEP 3

- Offer the wall light up to the liner plate & screw the fixing screws into the back box.
- Carefully screw on the glass shade using the shade retaining ring.
- Push in the G9 bulb and screw the glass globe on.
- Switch the power back on.
